

## QUÉBEC FILM PRODUCTION SERVICES TAX CREDIT

The refundable tax credit for film production services is designed to stimulate job creation in Québec, essentially by encouraging foreign producers to choose Québec as a filming location. This credit is a source of new capital and generates significant economic spinoffs for crafts people and companies in Québec.

	<b>Basic rate</b>	<b>Top up</b>	<b>Maximum</b>	<b>Eligible all-spend production costs</b>
<b>Basic rate</b>	20 %		20 %	All-spend production costs including qualified labour costs (broad notion) and costs of qualified properties
<b>Improvement for computer-aided special effects and animation</b>				
Computer-aided special effects and animation & Shooting of scenes in front of a chroma-key screen activities	20 %	16 %	Up to 36 %	Qualified labour costs (broad notion) directly attributable to qualified activities

- ❖ Refundable tax credit consists of the all-spend production costs including qualified labour costs and qualified properties incurred in Québec regarding a qualified production
- ❖ Categories of eligible productions:
  - fiction films including films that are composed entirely of sketches each of which is drawn in its entirety from a screenplay and that are specially conceived and arranged for television (including series and miniseries);
  - documentaries lasting a minimum of 30 minutes of programming or, in the case of a series, 30 minutes of programming per episode, excluding documentaries intended for minors and virtual reality documentaries, which may be shorter

*Eligible fiction films or documentaries include virtual reality (RV) and augmented reality (AR) productions. It will be possible to offer VR or AR productions for free without them being deemed advertising. This type of production will be eligible to the tax credit for film production services if it is an original production or an extension or supplement to another production that aims to provide additional information or entertainment for the main production.*

- ❖ Minimum budget requirement: \$250,000 CAD
- ❖ Production can be partially done in Québec
- ❖ No broadcast or showing obligation
- ❖ Eligible corporation:

      - Schedule related to the shooting of scenes in front of a chromatic screen activities;
      - SODEC administrative fees.
- ❖ Joint roles of SODEC and REVENU QUÉBEC
  - SODEC validates the production conformity and issues the certificates of eligibility (Approval Certificate and Advance Ruling).
  - Applications must be filed with SODEC before the end of the taxation year in which the eligible corporation wants to claim with REVENU QUÉBEC.
  - REVENU QUÉBEC validates the eligibility of the corporation, ascertains the costs claim and refunds the tax credit. The eligible corporation must file the Advance ruling letter issued by SODEC along with its corporate tax return in order to obtain the refundable tax credit.
- ❖ Claiming the tax credit with REVENU QUÉBEC
  - The corporation must submit to REVENU QUÉBEC its tax credit claim for a taxation year, along with a copy of the favourable advance ruling given by SODEC and, where applicable, a copy of the approval certificate. All the required documents must be sent to REVENU QUÉBEC on or before the later of:
    - the day that is 12 months after the filing deadline for the return for the taxation year concerned, and
    - the day that is three months after the later of:
      - the day that the favourable advance ruling was given, and
      - the day that the approval certificate was issued.
- ❖ Submittal of an application for an approval certificate and an advance ruling
  - Applications, along with associated required documents, may be submitted to SODEC at any time. Where to apply:
